M.E. Amore

They say “it’s all in the name” and with M.E. Amore that is 100% true. The “M” stands for Marc and the “E” for Elisha which combine for ‘M.E.’ Then there is ‘Amore’ which represents our love for one another, our love for family, our love for Italian food, and our love for fine wine—all of which we hope to share with you, making M.E. Amore an extension of your family.

Our fresh artisanal pasta is made with the finest ingredients and no preservatives. Local farmers provide us with seasonal ingredients allowing us to customize our products. We specialize in artisanal ravioli and al forno (ready to bake) entrees. Please visit us at <http://www.meamoreatlanta.com>

Ciao,

Marc and Elisha
