## Mr. K's Cookies

Mr. K's Cookies is a sweet cookie adventure for the Koronkowski family.

Family-owned and operated in Marietta, GA, you can find Mr. K's at the Marietta Square Farmers Market every Saturday from 9am-12noon and always online.

Background: For years, Mr. K. has been making his signature chocolate chip cookies and being met with a chorus of "you should sell these!" Thanks to all this encouragement, he went and tried it!

Now Allen and our two sons, Chris and Chase, diligently bake to bring hundreds of delicious cookies to the shoppers at the Marietta Farmers Market on Saturday mornings.

He started with chocolate chip cookies, but now offers a variety that continues to grow as each new recipe is perfected. He currently has several varieties including: Signature Chocolate Chip, Double Dark Chocolate Chunk, White Chocolate Macadamia, Peanut Butter Scotchies, Oatmeal Cherry Chunk, Oatmeal Rum Raisin and our new Vegan Carrot Cookie. You can place orders online at [www.mrkscookies.com](http://www.mrkscookies.com) or send an email directly to Mr. K. at [allen@mrkscookies.com](mailto:allen@mrkscookies.com).
